## Chairman's Message

TO-NIGHT we have distinguished guests from Sweden at East End Park. It gives me great pleasure to extend to the players and officials of Orgryte F.C. a warm welcome to Dunfermline. I hope that they will enjoy their visit to Scotland and that our supporters will accord our friends from Gothenburg a real Scottish welcome.

Our supporters will recall with pride our team's great displays in the Inter-Cities Fairs Cup in 1962-63. The games against Everton and Valencia at East End Park produced the most dramatic finishes ever seen at the ground.

Our manager and his players are very conscious of the fact that to-night's game is not just a club one, but one in which they are representing Scotland, and will spare no effort to maintain its prestige.

Both games are sure to be hard and exciting, and I am certain will be sporting and played in the best traditions of the game.

I trust our supporters will enjoy the game and that our team will carry forward a fair margin of goals for the second leg at Gothenburg in a week's time.

Orgryte's top score was a 13-1 win over a Swedish club this season but results reflect tall-scoring, for the records all show that seven, eight, and six goals are frequent occurrences.
